President's report: (Andrew Lockley)

Welcome and Happy New Year

- We still live in interesting times as we look to succeed against the pandemic over the next 6 – 12 months
- Our thoughts go out to all members and families grappling with Covid constraints whether they be health or travel plans and in some instances financial impacts.
- With that in mind Peter will give an update on the Heritage Drive shortly.

4WD Show Follow up

- Congratulations to Garry Blagdon, I can report he has finally extracted himself from the treasury role for the 4WD show and the LRC is no longer formally recognised in any records eg. ABN.
- It took some time but Garry's diligence made sure the LRC was protected along the way.
- If you have any questions then I'm sure Garry can assist as part of his report.

Trips

- It's great to see a number of trips being planned over the next couple of months and a few more ideas in the pipeline.
-
- I see the DTG is also looking at possible trip as well.
- So stay tuned and keep an eye on the website and club emails.

Looking Ahead

- The first committee meeting for 2021 is scheduled for this month and look forward to following through on our commitment from last year to review how the club moves forward now we are no longer committed to the 4WD show.
- Once we kick off the process we will be inviting all members for their ideas.
- The review will obviously include the financial position and lead onto the proposed budget in the May timeframe.

Secretary's Report: (Garry Blagdon)

Eastlake Meeting Room Bookings

Garry advised that the meeting rooms at the Eastlake Club had been booked for 2021. As Monday 5th April is a public holiday, the meeting has been moved to 12th April. Matt will update the website accordingly.

4WD Spectacular 2022

Garry advised the new Committee is working towards putting on the show in 2022 – a “go/no go” decision is to be made in the next 4-6 weeks. If it is decided not to proceed in 2022 the Committee will continue working for a show in 2023. The Newcastle show has been brought forward one week so the 2022 show will also have to be brought forward one week i.e. last weekend in January 2022.
