

NPWS VIP (Volunteer Program)

LRC occasionally runs trips, as work parties, to the Long Plain Hut, in the Kosciuszko National Park.

The LRC has been the caretaker for Long Plain Hut over many years, working alongside the NSW Parks & Wildlife Service, to maintaining the hut in good order.

When LRC members attend one of these work parties, they are required to register on-line in the NPWS Volunteer Program, often referred to as the VIP. The main purpose is for NPWS insurance.

Existing Users

If you have previously registered, and can recall your login, then there is no requirement to register again. If you have forgotten your username or password, click on the link below and then click *Log in to your account* (top right of page). You can then click on *Forgot your username or password*.
